*Every person who recognize themselves as such

On the 14th of June 2019

We will strike

Because the parental duties and care work done by the members of UNIL/EPFL has to be recognised

Because gender-based violence and sexual and psychological harassment have to be eradicated at the UNIL/EPFL

Because inequalities and discrimination against women *, LGBTQI +, racialized persons and persons with disabilities studying and working at UNIL / EPFL have to be eliminated

Because equality and fight against discrimination have to be promoted as a priority in teaching and research at UNIL/EPFL

Because equality and the fight against discrimination have to be put forward in the governance and communication of UNIL/EPFL

Because professional inequalities have to be eliminated within UNIL/EPFL

Because UNIL/EPFL's Equality and Anti-Discrimination Policy need to have a budget commensurate with the challenges and follow-up mechanisms

Because women's health issues * have to be recognized and preventive measures need to be taken at EPFL
